## Walter Cronkite

Walter Cronkite's autobiography fascinates on at least two levels: 1. the storied life of a well-traveled and internationally acclaimed television journalist; 2. the prominent figures that played a part in his life due to his position and popularity. One anecdote involves the discovery of shady dealings.

Walter Cronkite's A Reporter's Life | Book Reviews  
A Reporter's Life Many of this century's most crucial and momentous events have had one thing in common: Walter Cronkite. The word "anchorman" was actually coined for Walter Cronkite and in his more than sixty years in journalism he has truly covered the world and won the trust and respect of generations of Americans.

### Booknotes

Working for thirty years as the CBS anchorman, Walter Cronkite saw a lot of news and helped Americans understand what was happening in their world. He writes about important events that occurred throughout the second half of the twentieth century and explains how they were presented on the television news as they were.

### Detailed Review Summary of A Reporter's Life by Walter ...

cronkite really places the listener into the life of a child who started out as a paper boy, to getting a job at a local paper, covering world warII, and many other aspects of his life to his crowning achievement as news anchor for cbs. The thing that really adds to this book for me is the reading by cronkite himself. Shive 1969
