Autumn of 1986 in the Ozarks finds eleven-year-old April Grace adjusting to middle school, coping with her mother's difficult pregnancy, helping Isabel with the church play, and trying to figure out why the new boy at school will not leave her alone.

Just when April Grace thought the drama was over . . . After an automobile accident, Isabel St. James—resident drama coach and drama queen—needs help putting together the church play. Mama insists April Grace and Myra Sue will help. April's fall is now devoted to spending every afternoon with Isabel

and Myra Sue—if anyone is as big of a drama queen as Isabel, it's Myra Sue. Plus, she's dumb. (Okay, not dumb, but "older sister dumb.") If that's not enough, Isabel is wreaking havoc in the community trying to get Rough Creek Road paved, the new boy at school will not leave her alone, and then Mama drops the biggest bombshell of all . . . April Grace is no longer going to be the baby of the family . . . Girls will completely relate to April and love her sense of humor as she deals with siblings, boys, and the many changes that come with growing up.

In this hysterical #1 New York Times bestseller, one kid has to wrangle gators, snakes, bats that bite, and a reality show host gone rogue! This is Carl Hiaasen's Florida—where the creatures are wild and the people are wilder! When Wahoo Cray's dad—a professional animal wrangler—takes a job with a reality TV show called Expedition Survival!, Wahoo figures he'll have to do a bit of wrangling himself to keep his father from killing Derek Badger, the show's inept and egotistical star. But the job keeps getting more complicated: Derek Badger insists on using wild animals for his stunts; and Wahoo's acquired a shadow named Tuna—a girl who's sporting a shiner courtesy of her father and needs a place to hide out. They've only been on location in the Everglades for a day before Derek gets bitten by a bat and goes missing in a storm. Search parties head out and promptly get lost themselves. And then Tuna's dad shows up with a gun . . . It's anyone's guess who will actually survive Expedition Survival. . . “Only in Florida—and in the fiction of its native son Carl Hiaasen—does a dead iguana fall from a palm tree and kill somebody.” —New York Post “Chomp is a delightful laugh-out-loud sendup of the surreality of TV that will be enjoyed by readers of all ages.” —Los Angeles Times

"This is America—a town of a few thousand, in a region of wheat and corn and dairies and little groves." So Sinclair Lewis—recipient of the Nobel Prize and rejecter of the Pulitzer—prefaces his novel Main Street. Lewis is brutal in his depictions of the self-satisfied inhabitants of small-town America, a place which proves to be merely an assemblage of pretty surfaces, strung together and ultimately empty.

This book is about Kayla Marie Duerler, a wise, confident-yet-quiet, unique sixteen-year-old who passed

Feeling scared and powerless when her father's anger escalates and her parents separate, twelve-year-old Anna spends the summer with her grandmother and decides to make a difference when she sees what seems to be a girl held against her will.

The author, a friend of both Dylan Klebold and Eric Harris, describes the events surrounding the shootings at Columbine High School.

The first twelve books in the popular Christy Miller series are now available in four treasured volumes! Bestselling author Robin Jones Gunn packs each one with enough action, romance, and drama to keep you reading and wanting more. It all starts the summer Christy vacations on a California beach and meets two friends who change her life forever. But after moving across the country with her family, Christy must begin her sophomore year of high school uncertain where she'll fit in. A red-headed new best friend, a try at cheerleading, a job at a pet store, and expectations for the prom fill Christy's high school years with a string of laughter-and-tears moments. Fireball Katie keeps everyone guessing what she'll do next, and surfer Todd keeps showing up while popular Rick has determined to get her full attention! As these memorable years unfold, Christy and her God-loving friends find out what it means to be a "peculiar treasure." Follow Christy Miller as she stays true to her identity in Christ, drawing closer

to God for help in realizing her dreams and dealing with her disappointments. Whether you're meeting her for the first time or have known her for years— Christy Is a Forever Friend True Friends What is a true friend? Christy Miller knows she has two of them: Todd and Katie. To show how much she appreciates them, she writes to Todd, who's off surfing in Hawaii, and she agrees to join the ski club with Katie...even though she's scared of skiing! Fortunately, Christy and Katie can laugh as they bumble their way around the bunny slopes at Lake Tahoe. But Christy finds herself caught between new friends and her loyalty to Katie. Will Christy find a way to be a true friend when it counts most? And will she ever hear from Todd? Starry Night It's Christmastime, and Christy Miller has so much going on: family time, work, and maybe, just maybe, going to the Rose Bowl Parade with a bunch of friends. If only she could answer Uncle Bob's tough questions. Todd's buddy Doug gives her some insight, and she starts to appreciate him in a whole new way. Rick Doyle shows up again...but is he pursuing Christy or the cutest elf at the mall? Through it all, will Christy find someone special to count the stars with? Seventeen Wishes It's summer, and that means the beach and other adventures. And Christy Miller's best friend, Katie, is always full of ideas. They'll be camp counselors! But when Katie can't go, Christy is bewildered and overwhelmed by her fifth-grade girls, who have boundless energy for anything except what Christy wants them to do. Do they even hear a word she says? Soon they're playing matchmaker between Christy and Jaeson, a handsome counselor...and he doesn't seem to mind. When Christy's seventeenth birthday arrives later in the summer, just what will she be wishing for? Story Behind the Book "The Christy Miller series was actually born when a group of thirteen-year-olds challenged me to write a novel. I'd been questioning the content of their favorite books when they said, 'Why don't you write a book for us?' I told them no, I only wrote picture books. But they persisted: 'How hard could it be? We'll even tell you what to write! We want a love story with teenagers at the beach.' And there you go. Summer Promise first released seventeen years ago and is now translated into five languages. I continue to hear from readers all over the world, many girls saying that they gave their life to Christ after reading Summer Promise. I love that!" —Robin Jones Gunn
