## Maintenance Manual

In the late 1990s – early 2000s, the Taurus was ousted from the market by Japanese mid-size sedans, so Ford decided to focus on the production of crossovers and comfortable SUVs, and on October 26, 2006, the Taurus was discontinued. It was decided to replace the model with new full-size and mid-size sedans Ford Five Hundred and Ford Fusion (version for the American market).
