Featuring selections from all seventeen electrifying Jack Reacher novels and an introduction from Lee Child himself, this one-of-a-kind book compiles timeless advice from maverick former army cop Jack Reacher, the hero of Lee Child's blockbuster thrillers and now the star of a major motion picture. My name is Jack Reacher. No middle name, no address. I've got a rule. People mess with me at their own risk. You don't have to break the rules if you make the rules. Case in point: Jack Reacher, the two-fisted, quick-witted, "current poster-boy of American crime fiction" (Los Angeles Times). The branchild of #1 New York Times bestselling author Lee Child, Reacher is a freelance troubleshooter with a mysterious past—and a serious passion for justice. Now the hard-won knowledge and hard-hitting strategies of fiction's toughest tough guy are within every thriller reader's reach—in a rapid-fire rundown of the trade secrets, tried-and-true tricks, and time-honored tactics that separate the man in the street from the man to beat. Rule 1. When in doubt, drink coffee. Rule 2. Never volunteer for anything. Rule 3. Don't break the furniture. Rule 4. Only one woman at a time. Rule 5. Show them what they're messing with. Please note: Jack Reacher's Rules is a compilation of advice, wisdom, and facts from the Jack Reacher series of novels by #1 New York Times bestselling author Lee Child. It features an introduction by Lee Child, but is not a Jack Reacher novel.

Attempting to enter private practice against the wishes of his mother, counselor Daniel Brasher receives a baffling sequence of threats directed toward murder victims and struggles to stop a killer who is outmaneuvering the authorities.

Someone linked to southern Florida's drug traffickers is trying to kill Travis McGee, and in order to save his own life, McGee must detonate a drug war.

Jack Reacher races to solve the perfect crime in the fourth novel in Lee Child's New York Times bestselling series. Across the country, women are being murdered, victims of a disciplined and clever killer who leaves no trace evidence, no fatal wounds, no signs of struggle, and no clues to an apparent motive. They are, truly, perfect crimes. In fact, there's only one thing that links the victims. Each one of the women knew Jack Reacher—and it's got him running blind.

With Reacher, #1 New York Times bestselling author Lee Child has created "a series that stands in the front rank of modern thrillers" (The Washington Post). Everything starts somewhere. . . . For elite military cop Jack Reacher, that somewhere was Carter Crossing, Mississippi, way back in 1997. A lonely railroad track. A crime scene. A coverup. A young woman is dead, and solid evidence points to a soldier at a nearby military base. But that soldier has powerful friends in Washington. Reacher is ordered undercover—to find out everything he can, to control the local police, and then to vanish. Reacher is a good soldier. But when he gets to Carter Crossing, he finds layers no one saw coming, and the investigation spins out of control. Local sheriff Elizabeth Deveraux has a thirst for justice—and an appetite for secrets. Uncertain they can trust one another, Reacher and Deveraux reluctantly join forces. Reacher works to uncover the truth, while others try to bury it forever. The conspiracy threatens to shatter his faith in his mission, and turn him into a man to be feared. A novel of unrelenting suspense that could only come from the pen of #1 New York Times bestselling author Lee Child, The Affair is the start of the Reacher saga, a thriller that takes Reacher—and his readers—right to the edge . . . and beyond.
