About Trivium Test Prep Trivium Test Prep is an independent test prep study guide company that produces and prints all of our books right here in the USA. Our dedicated professionals know how people think and learn, and have created our test prep products based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our study materials are specifically tailored for your exact needs. We offer a comprehensive set of guides guaranteed to raise your score for exams from every step of your education; from high school, to college or the military, to graduate school. Let our study guides guide you along the path to the professional career of your dreams!

Miller Test Prep's study guide for the ACCUPLACER is the solution for students who want to maximize their score and minimize study time. Our study guides are carefully designed to provide only that clear and concise information you need. That's precisely why we put "Clear & Concise" on our cover. The standard for the study guide industry is to "throw in the kitchen sink" when it comes to making a book, meaning you are stuck with hundreds of pages of repetitive information, redundant and confusing examples, and more practice questions than any person could be expected to work through. This results in students feeling overwhelmed, leading to reduced self-confidence, which leads to lower scores! Instead, Miller Test Prep has worked specifically with tutors. Why tutors you ask? Tutors specialize in helping students comprehend information that has already been presented by a teacher. That means they see time and again what students struggle with and what actually works to help them. They specialize in helping students who have previously failed, to succeed. We compiled their decades of experience helping students just like you into this study guide, so you pass the first time! In this ACCUPLACER book, we ensure you are thoroughly prepared for this critically important test: Comprehensive review of all ACCUPLACER exam sections: Reading Comprehension Sentence Skills Write Placer Mathematics Step-by-step examples for every concept tested Practice test questions like the real exam Detailed, thorough answer key explanations 6 complete essay examples with scoring explanations

Think all PLACE Science study guides are the same? Think again! With easy to understand lessons and practice test questions esigned to maximize your score, you'll be ready. We give you everything you need to know in a concise, comprehensive, and effective package.

Exam SAM's College Placement Test Study Guide for Math helps you learn the skills, methods, and formulas that you need to answer all of the types of questions on the math section of the CPT test. The book contains 250 CPT math practice problems with answers and step-by-step explanations and solutions. Exam SAM's unique study system gives you in-depth focus on just the math part of the exam, letting you perfect the skills in the areas of math that students find the most troublesome. Practice Tests 1 and 2 are in study guide format with exam tips and formulas after each question. You can refer back to the formulas and explanations in the first two sections of the study guide as you complete the remaining practice tests in the book. The practice tests cover the same skill areas as the actual exam, so each practice test set has problems on: - Operations with Integers - Exponent Laws - Perimeter, Angle Facts & Pythagorean Theorem - Fractions and Decimals - Proportions, Ratios, Rates, and Percentages - Linear Expressions, Equations, and Inequalities - Graphs and Equations of Lines - Polynomials and Quadratics - Rational Expressions and Equations - Radical Expressions and Equations Please visit Exam SAM at www.examsam.com
