Secret Societies Inside The Freemasons

Secret societies thrive among us, yet they remain shrouded in mystery. Their secrecy suggests, to many, sacrilege or crime, and their loyalties are often accused of undermining governments and tipping the scales of justice. The Freemasons, for example, hold more seats of power in the U.S. government than any other organization.

Masonic Temples, the meeting places of Freemasons, exist all over the world today. Historically, the temples were private, usually in homes, or private rooms of taverns, but today the lodges are much more open. In fact, some Masonic lodges offer tours to the public, further encouraging people to stop thinking of them as a "secret" society.

Secret Societies: Inside the Freemasons, the Yakuza, Skull ...

In the early 20th century Freemasonry was an influential semi-secret force in Italian politics with a strong presence among professionals and the middle class across Italy, as well as among the leadership of the parliament, public administration, and the army. The two main organisations were the Grand Orient and the Grand Lodge of Italy.

Freemasonry - Wikipedia

Like Russian dolls, secret societies are reputed to exist within each other, large groups concealing smaller, more concentrated divisions through ancient alliances. Among the most persistent claims by conspiracy buffs and anti-Masons generally is the allegation that Freemason lodges secretly harbor members of the Illuminati.

In Secrets of the Masons, cameras for the first time go behind the doors of the Grand Masonic Lodge of Scotland, in Edinburgh, the home of freemasonry, and lift the veil on the inner secrets of...

Provides a behind-the-scenes glimpse into the world's most notorious secret societies, chronicling their origins, history, initiations, rituals, beliefs, activities, secret signs, members, and influence.

Did you know? • Freemasonry's first American lodge included a young Benjamin Franklin among its members. • The Knights Templar began as impoverished warrior monks then evolved into bankers. • Groom Lake, Dreamland, Homey Airport, Paradise Ranch, The Farm, Watertown Strip, Red Square, “The Box,” are all names for Area 51. An indispensable guide, Cults, Conspiracies, and Secret Societies connects the dots and sets the record straight on a host of greedy gurus and murderous messiahs, crepuscular cabals and suspicious coincidences. Some topics are familiar—the Kennedy assassinations, the Bilderberg Group, the Illuminati, the People's Temple and Heaven's Gate—and some surprising, like Oulipo, a select group of

intellectuals who created wild formulas for creating literary masterpieces, and the Chauffeurs, an eighteenth-century society of French home invaders, who set fire to their victims' feet.

An exploration of the influence of secret societies on the formative documents and symbols of the United States • Reveals the Founding Fathers' spiritual vision for America as encoded in the Great Seal • Traces the influence of the Iroquois League of Nations upon the Constitution • Exposes the deep connections the Founding Fathers had with the Freemasons and other secret societies All children growing up in America learn who the Founding Fathers were. Most, however, never learn of the founders' connections to the Freemasons, the Rosicrucians, and other esoteric orders. In *Founding Fathers, Secret Societies* Robert Hieronimus investigates these important connections and how their influence can be traced throughout our most significant national documents and symbols, especially the Great Seal. He reveals in detail how the reverse of the Great Seal--which appears on the back of the one-dollar bill--is a blueprint that conveys the secret destiny of America. By understanding the kabbalistic meaning of the Great Seal's reverse, he shows how our current era presents unique opportunities for the fulfillment of our Founding Fathers' spiritual vision.

An exploration of Freemasonry and its history, philosophy, symbols and practices.

Jeffers delves into Masonic history to reveal the surprising and controversial truths behind this ancient and secretive order, from its mystery-shrouded origins in medieval Europe through its rise in America, where Benjamin Franklin founded the first lodge.

To some the name "secret society" conjures up an image of a shadowy and elite cabal meeting behind smoke-filled rooms, discussing tactics of world domination and manipulation straight out of the most far-fetched espionage thriller. To others, the image of secluded men (and occasionally women!) banding together in exotic garb to perform colorful ceremonies and impart hidden knowledge and fancy but incomprehensible titles upon one another springs to mind. But just how far-fetched and fanciful is the prospect of a secret society? Could it be that there walks among us, in any given echelon of the population, groups given to exercise inordinate amounts of power and influence over the rest of us? Could these exotic members-only clubs really pose such an immediate threat to our well-being that our very way of life is endangered? Well, quite frankly the disturbing answer to those particular questions are yes and yes. Right in our midst there absolutely exists clandestine organizations consisting of both men and women who wield a dangerous amount of influence and power over the entire world populace. In his book entitled "The World's Most Dangerous Secret Societies" author James Jackson explores these dangerous secret organizations and its members; their beliefs, hidden agenda and their ultimate goal of a New World Order and world domination. Here are a few of some of the dangerous secret societies that will be thoroughly examined. • The Freemasons • The Illuminati • Skull And Bones • The Bilderberg Group • Council on Foreign Relations • The Trilateral Commission • The Society of Jesuits • The Committee of 300 • The Knights Templar And Much Much More.....

This "stupendous ethnography of female Freemasonry in Italy" reveals the fascinating paradox of elitism and exclusion experienced by "female brothers" (Michael Herzfeld, author of *Evicted from Eternity*). From its cryptic images on the dollar bill to Dan Brown's *The Lost Symbol*, the Freemasons have long been one of the most romanticized secret societies in the world. But a simple fact escapes most depictions of this elite brotherhood: there are also female members. In this groundbreaking ethnography, Lilith Mahmud takes readers inside Masonic lodges of contemporary Italy, where she observes the ritualistic

Where To Download Secret Societies Inside The Freemasons The Yakuza Skull And Bones And The Worlds Most Notorious Secret Organizations

and fraternal bonds forged among Freemason women. Offering a tantalizing look behind lodge doors, The Brotherhood of Freemason Sisters unveils a complex culture of discretion in which Freemasons reveal some truths and hide others. Female initiates—one of Freemasonry's best-kept secrets—are often upper class and highly educated, yet avowedly antifeminist. Their self-cultivation through the Masonic path is an effort to embrace the deeply gendered ideals of fraternity. In this lively investigation, Mahmud unravels the contradictions at the heart of Freemasonry: an organization responsible for many of the egalitarian concepts of the Enlightenment and yet one that has always been, and in Italy still remains, extremely exclusive. The result is not only a thrilling look at a surprisingly influential world, but a reevaluation of the modern values we now take for granted

An expose of the dark and critical role secret societies play within the ruling families in America and their influence on American democracy, current events, and world history. • Reveals the enormous influence secret societies still have on contemporary American life. • Shows how the secret Masonic cells that smuggled in the democratic ideals inspiring the American Revolution also enabled the future elite of the new society to build huge fortunes. Elite and secret societies have always been a major force in the history of Western civilization. The alliances formed in secret societies such as the Knights Templar, the Knights of Christ, and the Freemasons transcended patriotism and religious beliefs and had a powerful influence on the establishment of the United States of America. While these secret associations of merchants, smugglers, occultists, gamblers, spies, and slavers succeeded in freeing the United States from foreign domination, the dark side is that the elite used their secret connections to further their own wealth and power. These secret cells did not hesitate to sponsor the assassination of a president and even attempted to break up the union on several occasions when it was deemed expedient. From the Sons of Liberty and the Essex Junto to the Ku Klux Klan, secret societies have played critical roles in building the fortunes of America's elite. Now Steven Sora reveals in alarming detail how secretive societies continue to wield power even today as organizations such as Yale's Skull & Bones unite America's modern ruling families as strongly as Masonic Lodges once connected the Astors, Livingstons, and Roosevelts. Their immense power and wealth allow this elite to control America to an even greater degree than the Templars once dominated Europe.

Inside the world's most mysterious groups. Explore their surprising origins, powerful members, and fascinating rites and rituals. For centuries, humans have had a fascination with secret societies. Some societies that are hundreds of years old — like the Illuminati and the Freemasons — are still relevant today. Or, at least, they are thought to be. But why? After all this time, why do people still care about things like that? What is it about secret societies that so intrigues us? Is it the exclusivity? The desire to belong in a place where others can't? What are they up to behind those walls, do they know something I don't? Perhaps it's the secret nature of it, with special handshakes and rituals and customs. Whatever it is, Inside Secret Societies gets to the bottom of it. We're taking the oath to reveal some of the more secretive of the secret societies, as well as some of the less secretive ones. Packed with plenty of minutiae and little known facts, this will be popular addition to those into manifestos.

What Is Their Secret And What Are They Hiding? Step inside the secret world of the Masons and discover: How such pivotal American documents as the Declaration of Independence and the Bill of Rights reflect Masonic principles and influence. How Freemasons became the world's oldest and largest fraternal organization. If Freemasons rule the world--or want to. Why Masonic symbolism appears on American currency. Why the opposition groups, from conspiracists to the Catholic Church, fear Freemasons. Why Texas has been called "the Masonic Republic." How to recognize Masonic rings, pins, and other symbols. From George Washington to Dan Brown's The Da Vinci Code, the Freemasons have influenced the United States in many surprising ways. With nearly half the world's six million Freemasons--some twenty-five U.S. presidents and thirty-five Supreme Court justices among them--America has

Where To Download Secret Societies Inside The Freemasons The Yakuza Skull And Bones And The Worlds Most Notorious Secret Organizations

felt the group's impact more deeply and broadly than any other country. Using historical anecdotes and incisive analysis, this timely and insightful portrait separates the myths surrounding Freemasonry from the facts, offering a unique insider's view into what American Freemasonry was, is, and will be tomorrow. H. Paul Jeffers has published more than 50 works of fiction and nonfiction, including *Freemasons: Inside the World's Oldest Secret Society*, biographies of presidents Theodore Roosevelt and Grover Cleveland, New York mayor Fiorello LaGuardia, Diamond Jim Brady, and others. He lives in Manhattan.
