Owen Sage is the emblematic college freshman at Easton Falls University. With all the worries about his first year in college, he was not prepared for what would happen next. His way of life was flipped upside down when he mysteriously crossed into another dimension, into the beautiful land of Everville. His excitement was abruptly halted when he discovered that there was a darkness forged against both the natural world, which he knew well, and the new land which he discovered, Everville. He must devise a plan to save both worlds while joining forces with the race of Fron and The Keepers, whom both harbor hidden secrets he must learn in order to gain power over the evil that dwells in The Other In Between.
