Tom spies on the seduction when it takes place, and is surprised to hear Melissa's dissatisfaction with him isn't as divorce-bound as it had seemed. I'm not really clear why Melissa's position softens, or why the couple so readily improve towards each other once Tom admits really wanting to watch her.

'Stubbs, his hair is wiry Stubbs, his breath is fiery Stubbs can't read my diary He's smelly and he's dim Stubbs licks all our dishes Stubbs destroys my wishes And we can't go to Mauritius Just because of him' So wrote Violet Peck in her diary at the beginning of the summer holiday. But thanks to Stubbs, the Peck's spoilt rotten dog, Violet does go away for the summer... to a much stranger and scarier place than she could ever dream of. And she gets much closer to the family pet than any little girl could wish. With the headstrong Stubbs on one side and Harry and Hannah, her conniving cousins on the other, Violet is plunged into a world of shop-lifting, weird science, deadly secrets and belly button rings. And she ventures to a terrifying place that no one has ever been before... so close to home, yet so very far away.

Very definite in her likes and dislikes, seven (nearly eight)-year-old Violet Bing goes to stay with her unusual Great-Aunt Astrid in The Grand House.

||A fast, smart novel, brighter than a meteor and twice as scary. Stephen Woodworth provides shocks and thoughts in equal measure, and climbs right to the top!//Greg Bear In a world where the dead can testify against the living, someone is getting away with murder. Because to every generation are born a select few souls with violet-colored eyes, and the ability to channel the dead. Both rare and precious/and rigidly controlled by a society that craves their services/these Violets perform a number of different duties. The most fortunate increase the world's cultural heritage by channeling the still-creative spirits of famous dead artists and musicians. The least fortunate aid the police and the law courts, catching criminals by interviewing the deceased victims of violent crime. But now the Violets themselves have become the target of a brutal serial murderer/a murderer who had learned how to mask his or her identity even from the victims. Can the FBI, aided by a Violet so scared of death that she is afraid to live, uncover the criminal in time? Or must more of her race be dispatched to the realm that has haunted them all since childhood? Praise for Through Violet Eyes ||Chilling ... shades of Minority Report and The Eyes of Laura Mars ... tantalizing puzzle rife with red herrings, one made all the more entertaining by brisk pacing and strong internal logic.//Publishers Weekly a|Wow ... one cool idea and Stephen Woodworth makes it work like fine oiled machinery. Full of energy and suspense, Through Violet Eyes is a great and original first novel. I look forward to his next.//Joe R. Lansdale ||An eerie and compelling page-turner that maps the terra incognita between the living and the dead, loss and redemption, desire and grief, at the same time exploring what it means to be human in a frightening otherworld that too closely evokes our own reality.//Elizabeth Hand

"In this category-defying book, Katie Roiphe takes an unexpected and liberating approach to the most unavoidable of subjects: death. She examines the final days of five great writers and artists--Susan Sontag, Sigmund Freud, John Updike, Dylan Thomas, and Maurice Sendak." --
