For the episode of The Riches, see This Is Your Brain On Drugs (The Riches). The Partnership used a simple advertisement showing an egg in a frying pan, similar to this photo, suggesting that the effect of drugs on a brain was like a hot pan on an egg. This Is Your Brain on Drugs was a large-scale US anti- narcotics campaign by Partnership for a Drug-Free America (PDFA) launched in 1987, that used three televised public service announcements (PSAs) and a related poster campaign.

This is Your Brain on Food presents a broad overview of the effects of dietary pattens, specific foods, and nutrients on brain function and mood. What it lacks in depth, it makes up for in breadth. I personally prefer a similar book, Brain Changer by Felice Jacka, an Australian researcher who is one of the leading researchers in the field, as it goes into these topics in more depth.
