A story of transportation and life in a new world. At the tender age of eight, chimney sweep tom Appleby is convicted of stealing and sentenced to deportation to Botany Bay. As one of the members of the First Fleet, he arrives in a country that seemingly has little to offer - or little that the English are used to, anyway. Luckily, not long after tom's arrival in the colony, the fair and kind Sergeant Stanley decides to take on tom as a servant. together tom, Sergeant Stanley and his son, Rob, build a house, set up an orchard and a vegetable garden for themselves - and thrive, unlike many others in the new colony. Jackie French weaves tom's story in with the story of the development of Australia. She tells of a colony that, despite its natural abundance, cannot offer what the colonists want - familiarity. While the people's health is better than it ever was in England, their morale is low as they wait for news from home. Ages 10+

Young children live with awe and wonder as their daily companions. But as they grow, worries often crowd out wonder. Knowing this, how can parents strengthen their kids' love for the world so it sticks around for the long haul? Thankfully, parents have at their fingertips a miracle vaccine—one that can boost their kids' immunity to the world's distractions. Well-chosen stories connect us with others, even those on the other side of the globe. Build your kids' lives on a story-solid foundation and you'll give them armor to shield themselves from the world's cynicism. You'll give them confidence to persevere in the face of life's conflicts. You'll give them a reservoir of compassion that spills over into a lifetime of love in action. Give Your Child the World features inspiring stories, practical suggestions, and carefully curated reading lists of the best children's literature for each area of the globe. Reading lists are organized by region, country, and age range (ages 4-12). Each listing includes a brief description of the book, its themes, and any content of which parents should be aware. Parents can introduce their children to the world from the comfort of home by simply opening a book together. Give Your Child the World is poised to become a bestselling family reading treasury that promotes literacy, develops a global perspective, and strengthens family bonds while increasing faith and compassion.

Amelia Bedelia is going to get a puppy! When her parents ask her what kind of dog she'd like, Amelia Bedelia doesn't know what to say. There are hundreds of dogs in the world, maybe even millions! How will Amelia Bedelia ever find the perfect puppy?

The amazing story of Australia's first surgeon and the boy he adopted. It's 1789, and as the new colony in Sydney Cove is established, Surgeon John White defies convention and adopts Nanberry, an Aboriginal boy, to raise as his son. Nanberry is clever and uses his unique gifts as an interpreter to bridge the two worlds he lives in. With his white brother, Andrew, he witnesses the struggles of the colonists to keep their precarious grip on a hostile wilderness. And yet he is haunted by the memories of the Cadigal warriors who will one day come to claim him as one of their own. This true story follows the brothers as they make their way in the world - one as a sailor, serving in the Royal Navy, the other a hero of the Battle of Waterloo. No less incredible is the enduring love between the gentleman surgeon and the convict girl who was saved from the death penalty and became a great lady in her own right. PRAISE '[Jackie] is one of few masters who can embed historic characters in rattling good tales, and her meticulous research is seamlessly inserted so that you live the detail rather than learn it. Irresistible for history buffs of any age.' - Good Reading Magazine, five stars 'If every Australian history class in the country could be taught by Jackie French, we'd have an entire generation of kids with an enormous thirst for knowledge about our early European settlement and a whole lot more compassion for those who already called this country home.' - Sunday Tasmanian 'I've been telling all my friends to read this book, and to give it to their kids to read. It's absolutely engrossing.' - Herald Sun

In the tradition of *THE MAN FROM SNOWY RIVER* comes a gripping and courageous sequel to *A WALTZ FOR MATILDA* Ages:10-14 the year is 1919. thirty years have passed since the man from Snowy River made his famous ride. But World War I still casts its shadow across a valley in the heart of Australia, particularly for orphaned sixteen-year-old Flinty McAlpine, who lost a brother when the Snowy River men marched away to war. Why has the man Flinty loves returned from the war so changed and distant? Why has her brother Andy 'gone with cattle', leaving Flinty in charge of their younger brother and sister and with the threat of eviction from the farm she loves so dearly? A brumby muster held under the watchful eye of the legendary Clancy of the Overflow offers hope. Now Flinty must ride to save her farm, her family and the valley she loves. Set among the landscapes of the great poems of Australia, this book is a love song to the Snowy Mountains and a tribute to Australia's poets who immortalised so much of our land. the Girl from Snowy River combines passion, heartbreak, history and

an enduring love and rich understanding of our land. It continues the grand saga that began with *A Waltz for Matilda*. Praise for *A Waltz for Matilda*: '... this absorbing saga abounds in social and historical detail' *Magpies*

A story about dreams, gold, rebellion ... and an unlikely friendship across time It's 1854, and the Ballarat goldfields are a place of dreams and rebellion as Sam, a homeless teenager, is called back to the past to join the Puddlehams, who run 'the best little cook shop on the diggings'. The Puddlehams dream of buying a hotel with velvet seats, while others dream of freedom from the British crown, away from the rule of wealthy landowners and corrupt officials. As the summer days get hotter, and the miners' protests are ignored with catastrophic results, Sam experiences first-hand the power of a united stand which will change her life forever. Ages: 10+

THE STORY IS EQUAL PARTS DOWNTOWN ABBEY AND WARTIME ACTION , WITH ENOUGH ROMANCE AND INTRIGUE TO MAKE IT 100% NOT- PUT- DOWN-ABLE. Australian Woman's Weekly A tale of espionage, love and passionate heroism. Inspired by true events, this is the story of how society's 'lovely ladies' won a war. Each year at secluded Shillings Hall, in the snow-crisped English countryside, the mysterious Miss Lily draws around her young women selected from Europe's royal and most influential families. Her girls are taught how to captivate a man - and find a potential husband - at a dinner, in a salon, or at a grouse shoot, and in ways that would surprise outsiders. For in 1914, persuading and charming men is the only true power a woman has. Sophie Higgs is the daughter of Australia's king of corned beef and the only 'colonial' brought to Shillings Hall. Of all Miss Lily's lovely ladies, however, she is also the only one who suspects Miss Lily's true purpose. As the chaos of war spreads, women across Europe shrug off etiquette. The lovely ladies and their less privileged sisters become the unacknowledged backbone of the war, creating hospitals, canteens and transport systems where bungling officials fail to cope. And when tens of thousands can die in a single day's battle, Sophie must use the skills Miss Lily taught her to prevent war's most devastating weapon yet. But is Miss Lily heroine or traitor? And who, exactly, is she?

'HISTORICAL FICTION AT ITS BEST' -- Bookseller & Publisher It's 1939, and for Georg, son of an English academic living in Germany, life is full of cream cakes and loving parents. It is also a time when his teacher measures the pupils' heads to see which of them have the most 'Aryan'- shaped heads. But when a university graduation ceremony turns into a pro-Nazi demonstration, Georg is smuggled out of Germany to war-torn London and then across enemy seas to Australia where he must forget his past and who he is in order to survive. Hatred is contagious, but Georg finds that kindness can be, too. A companion piece to the best-selling *Hitler's Daughter*, this is a story of war-torn Europe during WWII, as seen through the eyes of a young German boy Georg, who loses his family and must forget his past and who he is in order to survive. MORE PRAISE FOR PENNIES FOR HITLER 'Jackie French's research and subsequent feeling for the era is superb the descriptions of wartime Australia alone are fascinating. This is historical fiction at its best and thoroughly recommended for upper primary children and beyond.' -- Bookseller & Publisher, 5 Star Review 'From its dramatic opening sequence to its one word conclusion 300 pages later, this is an absorbing story rich with details of everyday life' -- Canberra Times 'This striking fiction for school age readers gives an unflinching view of war and a close-up human perspective on asylum seekers.' -- Saturday Age

A story of the First Fleet, from the acclaimed author of *MY MOTHER'S EYES* and *ANGEL OF KOKODA*. Beth is a child convict, caught stealing on the streets of London and sent to Australia on the First Fleet. Through Beth's story, we discover the unbearable hardships those first convicts suffered, not only on the long journey to Sydney Cove but also in the two years of near-famine following their arrival. The story also explores the new arrivals' relationship with the Indigenous population, and the devastation that the Europeans brought with them. But through Beth's experiences we also see the sense of hope that many in the new colony held for the future, and how they survived - and in some cases thrived.

The story behind Banjo Paterson's iconic Australian song. Ages 10-14 'Once a jolly swagman camped by a Billabong Under the shade of a Coolibah tree And he sang as he watched and waited till his Billy boiled You'll come a-waltzing Matilda with me...' In 1894, twelve-year-old Matilda flees the city slums to find her unknown father and his farm. But drought grips the land, and the shearers are on strike. Her father has turned swaggie and he's wanted by the troopers. In front of his terrified daughter, he makes a stand against them, defiant to the last. 'You'll never catch me alive, said he...' Set against a backdrop of bushfire, flood, war and jubilation, this is the story of one girl's journey towards independence. It is also the story of others who had no vote and very little but their dreams. Drawing on the well-known poem by A.B. Paterson and from events rooted in actual history, this is the untold story behind Australia's early years as an emerging nation. 'Jackie French has a passion for history, and an enviable ability to weave the fascinating minutiae of everyday life into a good story.' *Magpies Magazine*
