USCIS Civics flash cards: These Civics flash card will help immigrants learn about US history and government while preparing for naturalization test. These flash cards can also be used in the classroom as an instruction tool for citizenship preparation. Important note: on the naturalization test, some answers may change because of elections or appointments. Applicants must be aware of the most current answers to these questions. Applicants must answer these questions with the name of the official who is serving at the time of his or her eligibility interview with the USCIS. The USCIS officer will not accept and incorrect answer.

American Government: In the United States, the government gets its power to govern from the people. We have a government of the people, by the people, and for the people. Citizens in the United States shape their government and its policies, so they must learn about important public issues and get involved in their communities. Learning about American government helps you understand your rights and responsibilities and allows you to fully participate in the American political process. The Founders of this country decided that the United States should be a representative democracy. They wanted a nation ruled by laws, not by men. In a representative democracy, the people choose officials to make laws and represent their views and concerns in government. This book will help you understand the principles of American democracy, the U.S. system of government, and the important rights and responsibilities of U.S. citizenship.

Classic Books Library presents this brand new edition of “The Federalist Papers”, a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. “The Federalist”, as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755–1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation’s finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

APEX Test Prep’s US Citizenship Test Study Guide 2021 and 2022: Naturalization Test Prep for all 100 USCIS Civics Questions and Answers [3rd Edition]. A reference manual for all immigrants looking to become citizens This pocket study guide will help you prepare for the naturalization test. If you were not born in the United States, naturalization is the way that you can voluntarily become a US citizen. To become a naturalized U.S. citizen, you must pass the naturalization test. This pocket study guide provides you with the civics test questions and answers, and the reading and writing vocabulary to help you study. Additionally, this guide contains over fifty civics lessons for immigrants looking for additional sources of information from which to study. Some topics include: · Principles of American democracy · Systems of government · Rights and representation · Colonial history · Recent American history · American symbols · Important holidays · And dozens more topics!

The new eighth edition of this manual has been updated to account for recently instituted government procedures and regulations that pertain to eligibility and application for United States citizenship. Progressive exercises provide a review of information needed for the test and offer practice in using spoken and written English. Topics include: Reviews of U.S. history, geography, and government Explanation of application procedures Up-to-date information on eligibility for naturalization The book also includes sample citizenship application forms and advice on filling them out.

Americans by birth or by choice, we are all united by the common civic values expressed in our founding documents, the Declaration of Independence and the Constitution of the United States. This common civic identity binds us together as one nation. The Citizen’s Almanac, a collection of America’s most cherished symbols of freedom and liberty, serves as a modern day lifeline to our rich civic history. From historic speeches to landmark Supreme Court decisions, The Citizen’s Almanac offers a fascinating look into the fundamental civic values that have helped shape the country we know today. In The Citizen’s Almanac, both native-born and naturalized citizens will find important information on the rights and responsibilities associated with United States citizenship. Becoming an active participant in our system of government further strengthens our great democracy. As former Supreme Court Justice Louis Brandeis once said, “The only title in our democracy superior to that of President [is] the title of citizen.” Through civic participation and further learning about our country, its founding ideals, achievements, and history, America’s newest generation of citizens will enjoy the fruits of responsible citizenship for years to come. --

In Self-Reliance, Emerson expounds on the importance of trusting your soul, as well as divine providence, to carve out a life. A firm believer in nonconformity, Emerson celebrates the individual and stresses the value of listening to the inner voice unique to each of us/even when it defies society’s expectations. This new 2019 edition of Self-Reliance from Logos Books includes The American Scholar, a stirring speech of Emerson’s, as well as footnotes and images throughout.
